The question as to which is the best and most teasible way of tapping the trade of Western great deal has been written on the subject, the result of different explorations and inthe matter, seem to consider Yunhan almost exclusively, while as a matter of fact the trade that percolates through, or would percolate brough, that province from Szechuen, were trade route in connection with some port opened up, is of much greater importance. Yunnan, though abounding in minerals, is not otherwise a rich province, and the last Mahomedan rebellion and the war of externination waged against the insurgents reinced the population to less thansix millions. The province is covered with the ruins of once rosperous villages and towns, and will take many decides to recover anything like its former prosperity. The inhabitants them. selves are, too, for the most part, very poor, and the towns are mean. The existing trade is consequently not large, but it could be dimulated very much and at once werea trade 5740 5748 5756 5764 way of tapping the trade of South escaped without injury. 6190 6196 6204 6211 in the way of utilising the Salween river on 6771 navigable beyond Hunghos except for very

way is a delusion and a mare, not being 6930 6989 6997 of a railway, and how soon is this likely to be constructed? It is quite true, as Mr. GARDNER says, that Haiphong is the natural port for South-west Yunnan, but it will only dong it. If, however, the British Govern-8043 8056 8059 8277 8284 8483 8493 8502 8507 and other English manufactures, which now man in the place. Hayllar has only recently

wich the country, would increase the trade of Hongkong, and would widen the Chinese market for British and foreign manufactures. The effect of opening up commercial communication between India and Western China through Burmah would also be of great advantage to both countries, and would doubtless pave the way for railway, extension across the Chinese empire. It rests with the British Government to see that our French friends do not forestall the British merchants as the pioneers of foreign trade in Western China and secure the lion's share of the benefits derivable therefrom. The French deserve to reap the fruits of their enterprise, but England would be foolish to surrender her prospects of a share in this trade without an effort.

The Agents (Messrs. Jardine, Matheson & Co.) from London, left Singapore for this port on the with them many other securities also advanced.

The height of mean sca-tovel has been determined at 7.145 feet above zero of the title-gauge at the Victoria Narat Yard; and the Kow-water Ordinary Spring-Titles, to which datum has beights in these Tables are referred, as 5.505 feet above

The heights in the Tables marked with a minus ( - ) sign are below Low-Water Ordinary Spring-Tides, and should be

eshtracted from the overlants given above.

HEAD OFFICE,

No. 2, Queen's Road West, Hongkong, 14th Merch, 1881.-

Secretary.

## EXTRACTS.

MORE IN THE MAN THAN IN THE LAND knowed a man, which he lived in Jones, ..... Which Jones is a country of red hill and stones And he lived pretty much by gettin' of loanes. . And his mules were nothin' but akin and hones," And his bogs was flat as his corn-broad pones And he had bont a thousand sores of land.

This man, which his name it was also Jones --He swore that he'd loave them old red bills and stones For he couldn't make nothin' but yellerish cotton, And little o' that, and his fances was rotten. And what little corn he had, hit was boughten, And danged if a livin! was in the land.

And the longer he swore the madder he got, And he ris and he walked to the stable lot : And he helfered to Tom to come than and hitch, For to emigrate comewher wher land was rich, And to quit raisin' cookburs, thistle and sich, And a wastin' their time on the cussed land,

So him and Tom they bitched up the mules, Pertectin' that folks was mighty big fools That'ud stay in Georgy their lifetime out, Just soratchin' a livin' when all of 'em mought .Git places in Texas, whar cotton would sprout By the time you could plant in the land.

And he driv by a house wher a man named Brown Was a livin', not far from the edge of town, And he bantered Brown for to buy his place. And said that bein' as money was skace, And bein' as sheriff's was hard o' face.

Two dollars an acre would git the land. They closed at a dollar and fifty cents. And Jones he bought him a wagin and tente. And loaded his corn and his wimmin and truck. And moved to Toras, which it tuck His entire pile, with the best o' luck.

To git that and git him a little land. But Brown moved out on the eld Jones farm. And he rolled up his breeches and hared his arm. And he picked all the rocks from off'n the groun'. And he rooted it up and plowed it down: Then he plowed his corn and his wheat in the land

Five years glid by, and Brown, one day (Which he got so fat that he wouldn't weigh), Was a sittin' down sorter lazily To the bulliest dinner you ever see. When one o' the children jumped on his knee, And save: "Yan's Jones, which you bough hi

And he hadn't no wagin, nor mules, nor tents, For he had left Texas afoot, and cum To Georgy to see if he couldn't git anm Employment, and he was lookin' as humble as if He had never owned any land. But Brown he axed him in, and he sot

And that was Jones, standing out at the fence,

Him down to his vittile smokin' hot. And when he had filled hisself and the floor. Brown looked at him sharp and riz and swore That "whether men's land was rich or poor, There was more in the man than there was in the
